Reception Music Planner

Event Date _____

Location _____

Act _____

This reception planning form is provided to help make your function as successful as possible. It is *optional*, and you may simply let the Entertainer(s) select the appropriate songs for your event. Every attempt will be made to play all your requests, but it is not always possible to accommodate every one. Most acts will rehearse and learn a couple new songs at no extra charge, but the act manager/bandleader will make decision on whether songs will or will not sound right with his act. You may also make arrangements to have a CD or computer file played for specific songs.
