

Fees quoted are based on standard 3 hour event, for driving dates local to act's home base, are subject to change due to fluctuating market conditions and fuel prices; and are based on ground floor indoor venues Gulf Coast Areas. Travel or cartage fees may be additional—for example: setup on sandy beach area where carts, dollies and hand trucks are useless, elevated floors where there is no elevator for equipment. Some outside venues are extra and some holiday dates are premium pricing. Beach Site Surcharge: Alabama venues at Dauphin Island, Ft Morgan, Gulf Shores, Orange Beach and also Florida venues at Pensacola Beach, Gulf Breeze and any site South of US Hwy 98 in Florida; Beach sites in Biloxi and Gulfport areas - typically add 10% to listed fees for such areas. Rooms, meals and travel expenses, when necessary, will be explained, approved by the buyer, and written into the contract or any riders, if any.

In addition to our commitment to exemplary customer service, we try to treat our entertainers and acts with professional courtesy and respect. Both Buyers and Entertainment acts see and sign the same contracts. Some agents do not use written contracts, only scheduling acts with verbal communications and no paper trail. This should be very scary for a buyer, as the possibility for miscommunication is high. Your event date is too important to take a chance on an error. Our acts know who the buyer is, what the buyer is paying, where they are playing and what time to start. Our buyers are given full access to contact the act leader prior to each event and the act leader to contact the Buyer. There are no added "production costs" unless necessary to accomplish the show, and specified on the issued contract to be approved by contract signer.
